Dear Ladies and Gentlemen,

the transport corridor Paris-Berlin-Warsaw-Moscow has grown in recent years as a key driver of cross-border business. Political reforms open up national markets and trade between Western and Eastern Europe is growing steadily. We cordially invite you: Find out about the latest trends, the right business practices as well as the current legal frameworks for doing business between East and West. Learn in three parallel workshops from best practice examples of collaboration and discover new opportunities in East Brandenburg for your business in Germany and Eastern Europe.

We look forward to seeing you in Frankfurt (Oder)!

Markus Kappes  
Managing Director, Investor Center Ostbrandenburg GmbH

Gundolf Schülke  
Chief Executive Officer IHK Ostbrandenburg
